One additional day has been built into the calendar to be used by the Superintendent for any necessary closing on June 1. If this embedded day is not used, school will not be in session. If one emergency day is used, then school will be in session on Tuesday, June 1.

Teachers Professional Development (PD): The teachers' last day will be either June 23, 24 or 25, depending on the amount of days used for emergency school closings. See attached for 20-21 Professional Learning Communities and PD schedule.

If deemed necessary by unexpected closings, the April vacation may be abbreviated in part or in whole. Therefore, plans which cannot be changed should not be made for the April vacation. The Superintendent of Schools reserves the right to make adjustment to the school's time schedule when it is deemed necessary.
