Attendance

Students are required to complete 60 hours of instruction. This requirement is necessary in order to uphold accreditation standards. Students are required to attend all 3 in-person meetings. The policy will be enforced regardless of the reason for being absent. Students arriving fifteen minutes late or more are absent for the day. If a student is given an Administrative Withdrawal, tuition will not be refunded.

Examinations and Report Cards

Report cards for credit courses will be issued every ten days. Final examination for credit courses will be administered the last day of summer school. Students are asked to bring in a stamped envelope for each course they are taking if they wish to have the report card mailed home upon the completion of summer school.

Amount of Work

For credit courses, the amount of work to be completed is the same as required during the regular school year.

Student Drop-Off and Pick Up

Students may be dropped off in front of the school prior to the beginning of class. Cars should pull up as far as possible to allow for others to clear the driveway.

Students taking personal financial literacy will be dismissed at 10:45 am on the three days of mandatory attendance.
